

CYCLING TO SCHOOL – IMPORTANT NOTICE TO PARENTS

At Outwood Academy Normanby we are encouraged by the number of students that cycle to school. However, the decision as to whether a child is competent to negotiate the route from home to school and back must be that of the parent. The academy does not accept liability for any consequences of such a decision.

The academy strongly supports students who wish to walk or cycle to school since it improves health and fitness, reduces traffic in and around school and thus makes conditions safer for everyone. It is important that we know the numbers cycling to school, even on an irregular basis so we can make appropriate security and safety arrangements. If your child cycles to school, please complete and return the form below, as soon as possible.

Parents are advised to take out their own appropriate insurance cover as the academy's insurance does not cover loss or damage to bicycles, including when stored at the academy.

Cycle Helmets - Students are advised to wear a correctly fitted cycle helmet and use appropriate reflective clothing and bike lights when visibility is poor.

Conditions for Cycling to School
