

Important information for Year 11 students

We know this is an unsettling time for you if you are in Year 11 and worrying about your next steps. Here at Middlesbrough College we just want to let you know that we have you covered and are guaranteeing a place for all Year 11 students this September.

Already Applied?

If you have already applied for your course at Middlesbrough College and TTE we will continue to send out frequent communications to you, so keep checking your inbox for our emails along with our latest newsletters.

We will invite you to our enrolment events in August and our careers team and tutors will discuss with you the GCSE results that you are awarded along with your skills and talents. We will ensure that you are on the right course at the right level.

Not Yet Applied?

If you haven't yet applied to Middlesbrough College, don't worry you can apply now. Our Schools Team, who you might have seen regularly in your school, are working online and are happy to chat with you on the telephone or by email. They can help to advise you on a suitable course and arrange a telephone interview if you would like one. Your parents or guardians can contact them too. Email them on schoolsteam@mbro.ac.uk.

Once we open again you will have chance to come into the college and meet your tutors and tour the campus.

If you have not yet applied to TTE you can do so by visiting tte.co.uk. We offer a range of engineering courses including welding and fabrication, mechanical, instrumentation, and electrical, process, laboratory and wind turbine.

Courses we Offer

We offer a great range of [A Levels](#) and [Vocational Courses](#) or our [Mix it Up programme](#) which is a combination of 2 A Levels and 1 Vocational Course. You can find our full range of courses [here](#).

We also one of the biggest Apprenticeship providers in the region and if you have an employer then we can get you started in a job where you can earn and learn. We often have employers who are actively seeking Apprentices and you can check out the current [Apprenticeship vacancies](#).

How Do I Apply?

Check out our range of [courses](#) on our website mbro.ac.uk, then once you have found the course you would like to apply for just click on the apply now button on the right hand side of the course web page and you will be able to apply online.

Our Admissions team will quickly process your application and you will hear back from us in 24 hours. Whilst the college is not open we are offering telephone interviews if you would like one, but if that is not for you no problem we will send you an offer by email.

Carry on Your Learning

It is really important that you continue to work hard and follow your schools online learning programmes or printed resource packs that they have sent out to you. This will help you get the best possible GCSE grades you can and will mean that you don't have a long spell of time out of learning. You will then be in the best possible place in September when you start college. Here are some [top tips](#) for working from home.

Middlesbrough College's Student Perks

Middlesbrough College has the best student benefits which you can take advantage of when you enrol. These include:

- Free bus and train travel
- Bursary schemes
- Free gym memberships
- 10% discount on all food
- Free college meals (for those on free school meals)
- Free wifi
- 1 year's free access to Microsoft Office 365
